

## CASTLETON VILLAGE HALL SPECIAL CONDITIONS OF HIRE DURING COVID-19

Please note: These conditions are supplemental to, not a replacement for, the hall's existing terms and conditions of let. Hirers need to confirm acceptance of the below special conditions of hire prior to the hall being used by the hirer. This can be done by signing and dating a printed copy and returning to the village hall or by emailing [castletonvhcommittee@gmail.com](mailto:castletonvhcommittee@gmail.com)

SC1: You, the hirer, will be responsible for ensuring those attending your activity or event comply with the COVID-19 Secure Guidelines while entering and occupying the hall, as shown on the attached poster which is also displayed at the hall entrance, in particular using the hand sanitiser supplied when entering the hall and after using tissues.

SC2: You undertake to comply with the actions identified in the hall's risk assessment, of which you will be provided with a copy.

SC3: You will be responsible for cleaning door handles, light switches, window catches, equipment, toilet handles and seats, wash basins and all surfaces likely to be used during your period of hire before other members of your group or organisation arrive and to keep the premises clean through regular cleaning of surfaces during your hire, paying particular attention to wash hand basins and kitchen sinks (if used), using either the products supplied (which will be in a clearly accessible location) or your own ordinary domestic products. You will be required to clean again on leaving. Please take care cleaning electrical equipment. Use cloths - do not spray!

SC4: You will make sure that everyone likely to attend your activity or event understands that they **MUST NOT DO SO** if they or anyone in their household has had COVID-19 symptoms in the last 48 hours, and that if they develop symptoms within 10 days of visiting the premises they **MUST** seek a COVID19 test.

SC5: You will keep the premises well ventilated throughout your hire, with windows and doors (except fire doors) open as far as convenient. You will be responsible for ensuring they are all securely closed on leaving.

SC6: You will ensure that no more than 60 people attend your activity/event (35 people in the Main Hall and 25 in the Small Hall), in order that social distancing can be maintained. You will encourage individuals or groups to maintain social distancing as far as possible and encourage mitigation measures amongst attendees such as face coverings when using more confined areas e.g., moving and stowing equipment, accessing kitchen.

SC7: You will take particular care to ensure that social distancing is maintained for any persons likely to be clinically more vulnerable to COVID-19, including for example keeping a 2m distance around them when going in and out of rooms and ensuring they can access the toilets or other confined areas without compromising social distancing.

SC8: You will position furniture or the arrangement of the room as far as possible to facilitate social distancing with mitigation measures such as: seating side by side, with at least one empty chair between each person or household group, rather than face-to-face, face coverings and good ventilation. If tables are being used, you are advised to place them so as to maintain

social distancing across the table between people from different household groups who are face-to-face e.g. using a wide U-shape.

SC9: You are requested to keep a record of the date and time the activity started and the name and contact telephone number or email of all those who attend your event (or at least one member of any group of up to 6 people or 2 households who attend together). This can be done either by operating an advance booking system which collects these details, or by asking everyone who attends to use the NHS QR poster at the hall entrance to register their attendance and by keeping a record of any who do not register using their smartphone app and the hall's NHS QR poster or your own NHS QR poster.

SC10: You will be responsible for the disposal of all rubbish created during your hire, including tissues and cleaning cloths, in the rubbish bins provided by the main entrance before you leave the hall. All other rubbish should be taken away with you when you leave the hall.

SC11: Users are encouraged to bring their own drinks and food. If food or drink is being served or made on a DIY basis (as distinct to a water bottle used during exercise) it should, if possible, be consumed while seated.

SC12: We will have the right to close the hall if there are safety concerns relating to COVID-19, for example, if someone who has attended the hall develops symptoms and thorough cleansing is required or if it is reported that the Special Hiring Conditions above are not being complied with, whether by you or by other hirers, or in the event that public buildings are asked or required to close again. If this is necessary, we will do our best to inform you promptly.

SC13: In the event of someone becoming unwell with suspected Covid-19 symptoms while at the hall you should remove them to the designated safe area which is the kitchen. Provide tissues and a bin or plastic bag, and a bowl of warm soapy water for handwashing. Ask others in your group to provide contact details if you do not have them and then ask them to leave the premises, observing the usual hand sanitising and social distancing precautions, and advise them to launder their clothes when they arrive home. Inform the village hall committee on: [castletonvhcommittee@gmail.com](mailto:castletonvhcommittee@gmail.com).

SC14: For events with more than 30 people you will take additional steps to ensure the safety of the public in relation to COVID-19, for example by operating a booking system or providing attendants or stewards who will ask people to seat themselves furthest from the entrance on arrival, to exit closest to the exits first and invite people to use toilets in the interval row by row.

SC15: In order to avoid risk of aerosol or droplet transmission please take steps to avoid people needing to unduly raise their voices to each other, e.g. refrain from playing music or broadcasts at a volume which makes normal conversation difficult.

SC16: Where a sports, exercise or performing arts activity takes place: You will organise your activity in accordance with guidance issued by the relevant governing body for your sport or activity

SC17: Where a group uses their own equipment: You will ask those attending to bring their own equipment and not share it with other members and/or you will avoid using equipment, which is difficult to clean, as far as possible. You will ensure that any equipment you provide is cleaned before use and before being stored in the hall.

SC 18: You will encourage all those attending your activity to wear a face covering when using confined areas such as toilets and corridors, for the safety of others
